

Director of Regulation & Competition

ecta, the european competitive telecommunications association

Brussels (1040, rue de Trèves 49/51), **full time**.

Company profile:

ecta, the european competitive telecommunications association, is the pan-European pro-competitive trade association that represents more than 100 of the leading challenger telecoms operators and digital solutions providers across Europe. For more than two decades, **ecta** has been supporting the regulatory and commercial interests of telecoms operators, ISPs & equipment manufacturers in pursuit of a fair regulatory environment that allows all electronic communications providers to compete on level terms. Our members have been and are among the leading innovators in Internet services, broadband, business communications, entertainment and mobile.

www.ectaportal.com

Key areas of responsibility:

- Coordinating and animating **ecta** working groups or specific policy projects.
- Preparing briefings, policy positions and responses to relevant public consultations in collaboration with **ecta**'s members.
- Informing members of key policy and regulatory developments.
- Managing research projects, studies and benchmarking exercises.
- Representing **ecta** at meetings, public hearings and conferences.
- Supporting **ecta** members on major regulatory issues at national and European level.
- Managing relationships with and organizing meetings between representatives from EU institutions and **ecta** members.
- Contributing to the arrangement of **ecta**'s flagship events such as the annual **ecta** Regulatory Conference.
- Other duties as reasonably requested by the Director General.

Reporting line:

Reporting to the Director General

Requirements:

Essential

- In depth knowledge of regulation applying to the electronic communications sector and/or adjoining sectors and a clear understanding of and interest in competition policy.
- At least 7 -10 years' experience working for an operator, a regulator, the European Commission or a Government.
- A university degree in law or economics.
- Knowledge of the European institutions and the EU legislative process and, preferably established contacts in the relevant EU and/or national institutions.
- Excellent interpersonal and diplomatic skills and the ability to build relations with policy-makers as well as [ecta](#)'s wide member-base of telecoms operators.
- Team-minded, flexible and with a consensual approach and able to work well in a small team.
- First class written and verbal communications skills in English, and preferably proficiency in French.
